

# IFR Quick Guide

The screenshot shows the IFR website interface with several numbered callouts:

- 1:** Quick links on the left side of the page.
- 2:** Navigation bar at the top with asset classes: BONDS, LOANS, STRUCTURED FINANCE, RATES, FX, EQUITIES, ECONOMICS, P&M.
- 3:** Search bar and search icon.
- 4:** Toggle menu (three dots) on the right side of the news cards.
- 5:** Top News section featuring a main article: "Aroundtown drums up €600m for acquisitions".
- 6:** Additional navigation links at the top right: IFR Extra, IFR Featured, My IFR, My Account.

1. Quick links – jump to the next section without the need to scroll
2. Easy navigation – go straight to the asset class you’re interested in.
3. Search – quick search or drill down into advanced news / issuers / deals search.
4. Toggle – use the ellipsis to access different features / content throughout the site.
5. Top News – curated by our editors to help you stay on top of the big stories as you navigate through the site
6. Links – access extra features, information and additional content.
